## Topical Memory System

TMS Memory Cards

Order Form

The Topical Memory System (TMS) developed by the Navigators offers a great resource for our discipleship training plan. There are five sections (A-E) with 12 verses in each section. The verses are from NIV. I have taken the time to develop these pocket sized cards (2.75"x4.25") in a format that helps your memory work as the verses are offered in short phrases to enhance quicker memorization. Consider ordering extra sets of cards for your trainees, family or friends to encourage memory of God's Word.

The suggested donation to HIM (dba Medical Mobilizers) for each set of cards is \$10. (Cost for each set is approximately \$5 which means your donation amount will be the total less \$5 for the number of sets you order.) You are invited to offer donations for multiple sets of cards so we can offer some sets at a discount or free of charge when necessary. You may submit a completed form with a check to our address. Another option is to use our PayPal account (at <http://medicalmobilizers.org/partners/>) along with a text photo of your completed form to 615-238-4035.
