## Encouraging & Equipping in Christ Devotionals

### Faith in Future Grace

John Piper, author of [Living by Faith in Future Grace](#) says that “faith in future Grace is all-satisfying admiration for all that God is for us in Jesus”. Wow! This is worth pondering and even memorizing. I have memorized and quoted it several times. So if all of our satisfaction comes from a relationship with Christ Jesus, the Savior, Redeemer, our Brother and the Master - then why would we need to seek to fulfill the lust of the flesh in anything else or in people or in porn for example? Desires fulfilled inappropriately results in guilt and that ends in anxiety – the lack of peace. Consider that there is no anxiety as we trust in the One who did the ultimate act of dying on the cross for our redemption in His sovereignty. My favorite statement is that “If God is not sovereign over everything, then logically He is not sovereign over anything.” Now is the time to start preparing to celebrate Thanksgiving and the birth of Jesus, the Prince of Peace.
