Encouraging & Equipping in Christ Devotionals

Fake Trinity vs True Trinity

Some people worship a Fake Trinity (Possessions, Power and Personal Relationships - all which can be used for good but can also become destructive) versus the True Trinity (God the Father, God the Son and God the Holy Spirit). What is the Trinity? Three in one, i.e., God with all three-in-one present at Creation of the universe and thereafter for eternity. Fake gods equal fake worship and fake truths. The enemy is hard at work to have us all believe in false truths.

How can we achieve true worship and true truths? We have the hope of the indwelling Holy Spirit given for our benefit (for discernment) just after Jesus ascended to God the Father. We have a simple task and that is - do not grieve (disobey) the Holy Spirit. If we do occasionally, all is good since we know Christ Jesus came to us (He elected us - we didn't elect or somehow find Him) and is presently praying on our behalf having given his life to redeem / forgive us of our original sin (a disposition to be god ourselves) AND our current and future sins.

Someone say AMEN (meaning I agree).

By God's Grace (Past, Present and Future)

Ron
